

THE FAPA SUMMER ONE ACT PLAY FESTIVAL presents...

**Auditions open to rising 10th grade students through
rising college-bound students.**

We are pleased to announce that FAPA is offering a unique experience for high school students this summer. Our Summer One Act Play Festival will be auditioning students for two one act (non musical) plays: Almost, Maine and The Rise and Rise of Daniel Rocket. We are very excited to offer this resume-building opportunity for our community's high school students who are interested in improving their acting skills.

Each show will have a cast of 8-10 students.

Please see rehearsal schedule attached.

You will be asked for conflicts (work, vacation, etc.) on your audition form.

There is a production fee of \$98 to participate if you are cast.
